

## Dining by Amex, Dine for 4 000 SEK – Terms and conditions

These Benefit terms (including the benefit description above) set out the key terms of our Global Dining Benefit, which includes the Local Dining Credit and the Abroad Dining Credit.

Enrolled Card Members will be eligible to receive a maximum of 2000 SEK back on spend at participating local restaurants (Local Dining Credit) and a maximum of 2000 SEK back on spend at participating abroad restaurants (Abroad Dining Credit) per redemption period. Spend can be in one or more transactions.

This benefit applies to spend on the primary Card enrolled into the offer, as well as any supplementary cards registered to the same primary Card.

For Card Members that have become members after 1 January 2023, the following applies: If the offer has been used and the Card membership is terminated or downgraded before you have been a Card Member for 12 consecutive months, you will be charged for the full amount that previously has been credited on your account in connection with the offer.

View participating local and abroad restaurants here <https://www.americanexpress.com/en-se/benefits/diningbenefit/>. Participating restaurant list subject to change, please check before you make a reservation as you may not be eligible for the credit.

Only one enrolment is required for the Local Dining Credit and the Abroad Dining Credit via your Benefit Directory from 5 July 2022. Card Members will automatically be enrolled for the following redemption periods from their enrolment date and do not need to re-enrol.

Benefit resets annually on 1 January until 31 December 2023. The dining credit benefit end date is subject to change and may end before the stated date. If this happens, we will send you an email to notify you of the change and inform you of the new end date of the dining credit benefit.

Credit not redeemed during the applicable redemption period will not roll over to the following redemption period and will expire. Your Card must be charged prior to the end of each redemption period (31 Dec) to be eligible for the credit within that redemption period.

For the Abroad Dining Credit, valid transactions will be converted to SEK based on the rate of exchange at the time your Card is charged. A currency conversion fee of 2% applies when payment is charged in a currency other than SEK. This fee does not count toward the offer spend requirement.

This Benefit is available to Swedish American Express primary Platinum Card Members only. If you switch to a new Card product that is not eligible for this benefit, enrolment will be removed from your Card Account. If a Card you hold is ineligible, you will not be able to see the benefit, nor will you be able to register the benefit to the Card. If you are no longer eligible for this benefit due to a change in Account status, including but not limited to fraudulent flags, suspension, or cancellation, it will be removed from your Account.

Benefit only available for dine in services. Benefit excludes purchases of gift cards and vouchers, transactions made towards deposits charged upfront by the venue, cancellation and no-show charges, take away or dine-at-home services.

Excludes transactions made through a third-party establishment or payment processor.

Credit is not redeemable for cash or other payment form.

Credit should appear on your billing statement within 5 business days from qualifying spend but may take up to 150 days from the offer end date.

Credit may be reversed if your qualifying purchase is refunded or cancelled.
